RE: Decision of the RIT Institutional Review Board

Project Title -- A Software Testing Course for Software Engineering Majors

The Institutional Review Board (IRB) has taken the following action on your project named above.

☒ Excluded; does not fit the Federal definition of research with human subjects 46.102 (d)

As your project is excluded you may proceed without further oversight of the Human Subjects Research Office (HSRO). If you change the scope of the activity so that it becomes research with human subjects you are required to notify the HSRO.
